ULTIMATE TRADE-IN CHECKLIST

What is a Trade-In Checklist?

Simply stated, the checklist is a collection of Children & Maternity items we offer shop credit for. Use this as a reference for what to bring in. The trade-in checklist is a parent's tool for quick answers, saving time, and getting the most shop credit.

Why you need a checklist?

Not only will it generate ideas on what to bring us but most importantly it eliminates the 'I wonder if they'll take these' questions. Using the trade-in checklist is like using a pizza cutter on pizza; it's just easier - it was made for it! You'll be glad you have the tool in your pocket.

How to use it?

Pull out the checklist when cleaning out, feeling overwhelmed with clutter, OR you could use some shop credit because let's face it – kids grow quickly and you'll need the next size up soon. If you're just getting started, look at the Jump Start ideas below!
